

"Belt and Road Cocktail Party Hong Kong" Organized by "Hong Kong Energy & Minerals United Association" held with success

"Belt and Road Cocktail Party Hong Kong" organized by Hong Kong Energy and Minerals United Associations took place on 15 September. Mr. Joseph Chan, Executive Vice President of Hong Kong Energy and Minerals United Association and Chairman of Kaisun Energy Group, delivered a speech and shared his opinions on the Belt and Road Initiative. Representatives from consulates in Hong Kong, experts and scholars, media representatives and participants of the Belt and Road joined the cocktail party while jointly exploring issues of infrastructures and developments concerning the Belt and Road and encouraging businesses in Hong Kong to partake.
