Mr. Joseph Chan, Kaisun's Chairman, was invited to share his experience in the forum on Mirror Post 7th award on outstanding Corporate Social Responsibility.

By inviting professionals to seminars and forums on Belt and Road initiative we organized and co-organized, Mr. Joseph Chan shared his experience that we played a role in letting Hong Kong public gain more understanding on the Belt and Road initiative. In addition, by encouraging minorities in Hong Kong to participate in Belt and Road related events, Hong Kong's role as superconnector can be enhanced.

Besides performance, we value our staff's health as well. Hence we organized the "Belt and Road" Friendly Basketball Tournament on 7 April 2017, and 2<sup>nd</sup> "Belt and Road" Friendly Basketball Tournament on 6 May 2018. Our team comprised our staff, and we invited teams with players from different

countries. Not only can staff achieve better health and build better team spirit by preparing for basketball tournament, our staff can enlarge their social circle by knowing more friends from different countries through participation in the basketball tournament.

By organizing various social events and seminars and inviting minorities in Hong Kong to join our events, we create many opportunities for minorities in Hong Kong to participate in events, so as to raise Hong Kong's public awareness on Belt and Road initiative and encourage cultural exchange.
