

Tajikistan Coal sites visit with Kaisun Energy Group's ("Kaisun") strategic partner – Xinjiang Coal Geology Bureau ("XCGB")

From July 30 to August 7 of 2011, delegation from Xinjiang Coal Geology Bureau made an extensive site tour of Kaisun's coal assets in Tajikistan. The purpose of the mine visit is to introduce Xinjiang Coal Geology Bureau to Kaisun's coal assets in Tajikistan and to pursue potential cooperation between the two parties on these assets.
